Example of Careless Traveling.
A razor strap that followed E. W. Stephens around the world after being lost at a dozen places on the way has just been returned to his home, in Columbia, Mo., from Blue Mountain, Miss., with the usual postage-due stamps attached. Mr. Stephens has used the strap for years, and has carried it on all his travels—when it was not on the way from his last hotel. The strap was lost once in Hongkong, and later rejoined the Stephens party in Calcutta. Mr. Stephens got his razors in extra keen trim and luxuriated in close shaves until he reached the Holy Land. The razor strap was again forgotten, this time at Jacob's Well, near Shechem, but overtook its owner at the Sea of Galilee. In Cairo the strap was lost again, but was recovered in Athens. At several European hotels it was forgotten and made short jumps, the hotels having forwarded it with the mails to the addresses left by the travelers. The strap has cost a dozen times its original price in postage.—Kansas City Star.

Unavoidably Detained.

A well-known general tells the following story:

One day he received a telegram from a subordinate who was injured in a railroad accident while on furlough, which read: "Will not report today, as expected, on account of unavoidable circumstances."

The tone of the message was not satisfactory to the general and he wired at once in reply: "Report as ordered or give reasons."

Within an hour the following message came back over the wires from the hospital: "Train off—can't ride; legs off—can't walk. Will not report unless you insist."

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

OXIDINE

It is a simple and effective home remedy for Chills, Fever, Malaria, and all other diseases arising from a disordered liver. It is effective for Constipation, Indigestion, LaGrippe and Colds in the Head, Throat and Chest, and is sold under a strict guarantee. If the first bottle does not greatly benefit you, return the empty bottle to your druggist and get your money back.

HOW IT RELIEVES

Oxidine has a direct action on the Liver, Stomach, Kidneys and Bowels, and is a powerful invigorator and reconstructive. It destroys the germ of malaria, stimulates the liver, enabling it to throw off the poison in the system, and flushes the stomach and bowels. It also strengthens the kidneys, which often become clogged and inactive in cases of Malaria Fever, and forces them to perform their natural functions. The symptoms of malaria are so numerous and varied that many people suffer from it for years without discovering the true source of their troubles. Chills do not always accompany malaria troubles, and chronic Constipation, Rheumatism, Dyspepsia, many forms of Skin Disease, Piles, Enfeebled Heart action and pains in all parts of the body may be due to Malaria, and can never be relieved without first discovering and removing the cause. Oxidine relieves by removing the cause. It goes to the seat of the trouble, destroys the germs of the disease, restores the organs to a normal condition, builds up the system and aids nature.

AS A CURE FOR MALARIA, CHILLS AND FEVER REMEMBER IT HAS NO EQUAL.

CURED ITCHING HUMOR.

Big, Painful Swellings Broke and Did Not Heal—Suffered 3 Years—Tortures Yield to Cuticura.

"Little black swellings were scattered over my face and neck and they would leave little black scars that would itch so I couldn't keep from scratching them. Larger swellings would appear and my clothes would stick to the sores. I went to a doctor, but the trouble only got worse. By this time it was all over my arms and the upper part of my body in swellings as large as a dollar. It was so painful that I could not bear to lie on my back. The second doctor stopped the swellings, but when they broke the places would not heal. I bought a set of the Cuticura Remedies and in less than a week some of the places were nearly well. I continued until I had used three sets, and now I am sound and well. The disease lasted three years. O. L. Wilson, Puryear, Tenn., Feb. 8, 1908." Potter Drug & Chem.
